

Hello, AT&T is running a promotion for your employees and their personal accounts. If you could please forward this to your employees, it would be much appreciated.

University of Notre Dame' Employees,

Drumroll please... I wanted to share an amazing offer that is available to everyone whether you are upgrading your current device, growing your existing AT&T account, or switching over to AT&T from another provider. The best part is these promotions are stackable with the amazing VIP discount that AT&T currently offers your employees. That discount allows them to take advantage of our best Unlimited plan at a discounted rate with HBO Max included at no additional charge.

- Up to **\$700 off a new iPhone** with a trade in valued at \$95 or more!
- Up to **\$700 off a new Samsung** with a trade in valued at \$95 or more!

Don't have a trade in worth \$95 or more? No problem!
